**PHOENIX ACTIVE MANAGEMENT AREA  
ARIZONA DEPARTMENT OF WATER RESOURCES**

JANET NAPOLITANO  
Governor  
HERBERT R. GUNTHER  
Director

**The Low Water Using Plant Bibliography was created as a reference tool for those interested in additional information about the plants listed in the Department of Water Resource Low Water Using Plant List.**

The bibliography was compiled by the Department of Water Resources in cooperation with the Arizona Municipal Water Users Association, Landscape Technical Committee, comprised of experts from the Desert Botanical Garden, the Arizona Department of Transportation and various municipal, nursery and landscape specialists in the Phoenix AMA.

Referenced sources are available at local libraries, bookstores, the Arizona State University Library, the Desert Botanical Garden Library and on library catalogue computer networks.
